Summary

Creative Digital Marketing Specialist and Graphic Designer with 3+ years of hands-on experience driving brand growth through data-driven campaigns and compelling visual storytelling. Proven track record in executing high-ROI paid advertising campaigns across Google, Meta, and LinkedIn platforms while designing 200+ impactful creatives for diverse clients. Expert in blending marketing strategy with design excellence to deliver measurable results and engaging brand experiences.

Core Expertise: Performance Marketing • Paid Advertising • SEO & Content Strategy • Social Media Marketing • Brand Identity Design • Visual Communication • Campaign Analytics

Work Experience

Program Director (Digital & Creative Lead) | Optasia Foundation

May 2022 – Present

- Led digital marketing and graphic design initiatives for large-scale social impact programs reaching 5,000+ beneficiaries
- Spearheaded visual branding and digital outreach for **HERlytics Project (Stanford collaboration)**, creating awareness campaigns and marketing materials for a global gender-tech initiative
- Designed and executed digital literacy programs (**Sapno Ki Pathshala**), blending creative content with educational impact
- Built strategic partnerships with local governments and institutions through professional pitch decks and marketing collateral
- Managed end-to-end creative workflows from concept development to final execution

Incubation Management (Marketing & Design Support) | RIF (Rohilkhand Incubation Foundation)

May 2023 – Jan 2024

- Managed incubation programs supporting student-led and early-stage startups.
- Guided entrepreneurs in **idea validation, business planning, and execution strategies**.
- Coordinated mentorship sessions, networking events, and pitch programs.
- Worked with academic institutions to promote innovation culture and startup ecosystem development.
- **Served as a Judge in Ideathon events**, evaluating innovative ideas and mentoring participants.
- Actively contributed as part of the **Incubation Management Team**, ensuring smooth execution of incubation processes.

Digital Marketing Specialist | Exhime

Feb 2024 – July 2024

- Executed **paid ad campaigns** (Google, Meta, LinkedIn Ads) to increase lead generation and brand awareness.
- Developed integrated marketing strategies across SEO, email, and social media.
- Monitored KPIs and optimized campaigns for higher ROI.

Graphic Designer (Freelance & Agency Projects)

- Designed 200+ high-quality creative assets including social media graphics, marketing posters, brochures, infographics, and complete brand identity packages
- Delivered visual solutions for NGOs, startups, educational programs, and digital marketing campaigns with consistent positive client feedback
- Mastered design tools including Canva, Adobe Illustrator, and Photoshop to produce publication-ready designs
- Collaborated with marketing teams to ensure design assets supported campaign goals and maintained brand consistency
- Specialized in creating scroll-stopping social media content optimized for engagement across platforms.

Graphic Designer & Digital Team Management (Future University)

August 2025 – Present

- Leading end-to-end graphic design initiatives for university branding, admissions campaigns, and digital promotions
- Designing high-quality creative assets including social media posts, banners, posters, event creatives, and academic promotions
- Managing and coordinating the digital and creative team to ensure timely delivery, consistency, and quality output
- Overseeing social media management across platforms, including content planning, scheduling, and performance monitoring
- Collaborating with marketing, admissions, and academic departments to align design and social media strategies with institutional goals
- Ensuring a strong, professional, and consistent brand identity across all digital and social media channels
